

# WEEKS {BRAND} ROSE INFORMATION

These roses consist of **grandifloras**-(Vigorous (comes from floribunda), tall-growing, beautiful, rich blooms (comes from Hybrid Teas), **floribundas**-(clusters of slightly smaller blooms), and **hybrid teas**- (produce showiest blooms, and great fragrance.)

**Grandifloras:** Longest stem of the tree, up to 7'; spring pruning when necessary; better in bigger spaces due to size.

**Floribundas:** Can reach up to 6' tall; spring pruning (mainly to remove dead blooms.)

**Hybrid Teas:** Can reach 4-6' tall; prune while dormant.

All are recommended for avid rose gardeners. For those who want the beauty of the rose without the maintenance, we recommend the Knock Out or Drift Rose varieties.

## ALPHABETICAL LISTING OF OUR STOCK

Please call the garden center at 337.264.1418 to check availability.
